A Brief Life Story of the Child:

Sangey Tsering was born in a very poor family in a small village called Lumlha in Tawang region in India. His parents are poor farmers. They couldn't send their children to a good school due to financial problem. The income what they earn from the land they cultivate could only bring a days meal for them.

Very fortunately, Sangey got admission under at Gaden Jangtse Tsawa Bodhisattva Khangtsen under Gaden Jangtse Monastery in 2002. Here he goes to monastic school, where he learns basic on Buddhist Philosophy and Dialectics. Beside these, he also learns English, Mathematics, Social Studies and so on. He is very intelligent and learns very quickly.

But he often faces health problem, which affects his studies. His parents are not in a position to help him.

Therefore, we request you kind hearted friends to kindly help this poor young monk by providing some financial support so that he can do his studies better.

Thanking You.
