Name: Lobsang Lungten.
Date of Birth: 22nd June 2000.

A Brief Life History of the Child:

Lobsang Lungten was born in a poor family in Tawang region in India in 2000. His parents are poor farmers. His parents couldn't send him to school at their village as the state of their living is in a very poor condition.

Lobsang became monk in February 2008 at Gajang Tsawa Bodhisattva Khangtse under Gaden Jangtse Monastery. In the monastery he goes to the monastic school, where he learns basic on Buddhist Philosophy and Dialectics. Beside these, he also learns English, Mathematics, Social Studies and so on. He is very intelligent and learns very quickly.

But he has been facing problems of health and this affects his studies. His parents are far away and they are not in a position to help him, as their own state is very poor.

Therefore, we request you kind-hearted friends to kindly take pity on him and provide him some financial support to overcome his problems on doing his Dharma studies.

Thanking You.
